HOBART FACTORY ORIGINAL

These genuine Hobart Chopper Attachments are made in the USA of heavy duty cast iron with a polished tin finish. The Cylinder features a fast feed rifle-style Flute and a fitted brass Washer. The Ring is heavy duty. The Worm is made of precision cut steel, for cleaner cuts, and comes with a fitted brass Washer. The Round Pan is tinned steel and the Stomper is sanitary plastic. The complete Chopper Attachment (12 HOB76 CCA) has a restricted opening to comply with OSHA requirements. A size 12-1/8" Plate and a size 12 Knife are included. Alfa's #12 Plates and Knives will also fit this attachment.

Note: These attachments fit Hobart, Univex, Toastmaster and compatible Mixers, Grinders, Food Cutter and Powers Units with a size #12 Power Hub.
