

Top to Bottom Organization

- Shelf Dividers provide functional organization in any storage area.
- Hold narrow or vacuum sealed items in place and keep from toppling over.
- Keeps stored items or ingredients segregated within shelves for efficient organization.
- Vents allow for proper ventilation in cold room and freezer applications.

Camshelving® Shelf Dividers

Create improved functional organization in any of your storage areas using Shelf Dividers. These Shelf Dividers help support stacked or narrow items such as vacuum sealed produce packages and squeeze bottles so that they don't topple over. Shelf Dividers are also ideal for use with linens, towels, janitorial supplies and disposable cups and lids. Shelf Dividers attach securely onto Cambro Camshelving® and Camshelving Elements Shelving Units.

Available in 18", 21" and 24" (460, 540 and 610 mm) widths. Shelf Dividers fit on shelving units equipped with vented or solid shelf plates.

- Camshelving Shelf Dividers measure 8" (203 mm) tall.
- Made from rust-free high impact ABS Plastic.
- Attach easily and securely hold in place.
- Fits Camshelving (Camshelving Metric 600 mm only) and Camshelving Elements Series.
- Fits Vented or Solid Shelf Plates.
- Can be removed for cleaning or relocating.

Keep sealed packages neatly stacked.

Keep squeeze bottles organized.
