**CADDY™**  
Cleaning & Sanitizing System

## The Most Versatile Cleaning & Sanitizing System

### SANITARY

- Reduces food safety risk by using one tool for cleaning and sanitizing
- Presents a clean, sanitary image while keeping tables turning
- Prevents unsafe and unsightly practice of using the same towel for cleaning seats and tabletops

### SMART DESIGN

- Allows for a variety of cleaning and sanitizing products or options
- Patent Pending design has overall stability, pour spout, comfort handle and solution level markings
- Easy to use, to train employees and monitor correct use

### BENEFITS

- Increases productivity and reduces labor costs
- Combines two processes into one attractive, portable tool
- Eliminates travel back and forth to cleaning stations
